Important update

- If any of the insured person's sum insured is < 2 lacs, during renewal, the sum insured is changed to 2 lacs with continuity benefits of Rs.2 lacs.
- Even if the sum insured on the expiring policy is Rs.50,000/- only, on renewal, they can avail claim benefit of up to Rs.2 lacs.
- Since continuity benefit is provided for 2 lacs sum insured, the cumulative bonus for those who are migrated from 0.50 lacs and 1 lac will start from '0'

Important update

- The main point to be noted here is that they are going to have continuity benefit for Rs.2 lacs which means in case of a claim after renewal, they can avail 2 lacs sum insured even for diseases contracted during earlier sum insured period.
- Persons having Hospital Cash Benefit of 30 days and 200 days will be taken to 15 days Hospital cash benefit plan during renewal.

Important update

- Daily Hospital Cash benefit is 0.2% of the sum insured.
- Waiting period for Pre-Existing Diseases is reduced to 36 months from the existing 48 months for persons > 45 years and to 24 months for persons up to 45 years of age.
- Introduction of a new sum insured band of Rs.15 lacs

Important update

- Introduction of new optional covers
- Optional cover II – Maternity Benefit
 - Eligibility – Minimum SI of Rs.5 lacs
 - Waiting period – 36 months from the date of opting this cover
 - Coverage – 10% of average SI of the person in the preceding 3 years
 - Claim in respect of delivery for first two children only is allowed.
 - Pre and Post Natal expenses are not covered unless admitted in hospital and treatment is taken.

Important update

- Optional cover III– Modern Treatment coverage up to sum insured limit.
 - The policy covers Modern Treatment/Procedures like Immunotherapy, Intravitreal Injections, Oral chemotherapy with sublimits.
 - By opting this cover and paying additional premium, you can get coverage up to 100% of the sum insured for Modern Treatment/Procedures.

Important update

- Conditions applicable
 - In case of a payment of a claim under Modern Treatments, this cover cannot be opted out at the time of renewal.
 - It is payable only once during a policy period for surgical procedures.

Important update

- This cover is not applicable for persons suffering from or suffered in the past one or more of the following illnesses/conditions :
 - Cancer (even if treatment is completed)
 - Age related macular degeneration
 - Sickle cell anaemia
 - Thalassemia Major

Important update

- Optional Cover IV : Non-Medical items (Consumables)
 - Normally non medical items are deducted from the claim admissible amount. By opting for this cover, you can claim for non-medical items also.
 - This optional cover is available for sum insured of Rs.7 lacs and above.
 - Coverage : Maximum Rs.15,000/- in a policy period

Points to be noted for Upsell

- Coverage for Health Checkup
 - Can avail health checkup at the end of a block of every three claim free years.
 - Payment is restricted to 1% of average sum insured in the preceding 3 years subject to a maximum of Rs.5000/-
 - This benefit is available only once in 3 years.
 - Waiting period of 3 years is applicable afresh i.e. both new and existing policy holders.
 - Payment under this clause will not be considered as a claim.

Important update

- AYUSH Treatment Coverage
 - Expenses incurred for Ayurvedic/Homeopathic/Unani/Siddha treatments are now admissible up to 100% of the sum insured. (The existing coverage is 25% of the sum insured only).
